

THIS GIFT CERTIFICATE ENTITLES YOU,

TO A DAY OF
STORY SHARING AND FELLOWSHIP WITH

I / we want to learn more about you.

Let's pick a day that works in our schedules, and get together for time devoted just to telling stories (*your* stories!).

(Sure, I plan on recording our conversation, but let's forget about that and just have fun!)

I promise to:

- ask questions & seek stories both fun and challenging, happy and sad—whatever you'd like to share with me!
- bear witness to the life you've led, the lessons you've learned, and the person (so dear to me!) that you are.
- listen generously and without judgment.

YOUR
MEMORIES
MATTER!
